

Ohio Workers' Compensation
**Medical & Health
Symposium**

March 9 – 10, 2017
Hyatt Regency Columbus
350 N. High St., Columbus, Ohio

FREE continuing education
opportunity

You're Invited

The 2017 Ohio Workers' Compensation Medical & Health Symposium is a **free** continuing educational opportunity for health-care professionals. The symposium features leading national and state experts focusing on the comprehensive care for an injured worker.

The **two-day annual symposium** offers experts in pain management, physical medicine and rehabilitation, alternative medicine, chiropractic medicine, neuromodulation, radiology, psychology, ergonomics, neurology and orthopedic surgery.

By attending you will learn more about:

- Spinal disorders, surgical protocols and the pitfalls of surgery;
- Traumatic brain injuries;
- Complex regional pain syndrome;
- Pain management and return-to-work strategies;
- Transition from acute to chronic pain treatment regimen;
- Proactive solutions when caring for the aging injured worker;
- Cognitive behavioral therapy for chronic pain (health behavior and assessment intervention);
- Development and control of work-related hip, knee and ankle injuries.

Here is an example of the exhibitors you will meet at the symposium.

- Capital Prosthetic & Orthotic Center, Inc.
- Infinity Orthopedics
- Mary Free Bed Rehabilitation Hospital
- ODG by Work Loss Data Institute

See Speakers' Bios!
