EasyIH.....340

www.easyih.com

Product: Industrial hygiene tools and resources

EasyIH provides the most comprehensive information, tools and resources for industrial hygiene. Our free services include industrial hygiene calculations and conversions, a searchable chemical and occupational exposure limits database, and comprehensive directories of laboratories, industrial hygienists and environmental safety and health consultants. We also provide certified industrial hygienist test preparation and maintenance information not previously available in one simple-to-use website.

Ergo Advantage..... 413, 415, 512, 514

www.advantagemats.com

Product: Ergo Stripe

The Ergo Stripe is a 6" x 18" tile that connects to regular ergonomic tiles, outlining specific areas such as start/stop, hazard, etc. This solution replaces tape and paint which can easily wear off creating an unsightly appearance. The striping comes in various colors, including transparent, allowing you to run different colors of lighting underneath the tile. This product compliments all 5S and 6S programs.

Glove Guard LP..... 712, 714

www.GloveGuard.com
www.GoggleGuardAccKit.com

Product: Goggle Guard™ Accessory Kit

The Goggle Guard™ Accessory Kit allows you to securely mount a headlamp without using the headband.
